## Marriages Unite Popular Members Of Community

### TAYLOR-METHERAL

The Crossfield home of Mr. and Mrs. J. P. Metheral was the scene of a very pretty but quiet wedding Friday evening, August 16, at 7 o'clock, when their daughter, Mildred Dorothy, was united in marriage to Corporal Robert E. Taylor of Gleichen by Rev. J. E. Ball.

The bride, who was given in marriage by her father, looked very charming wearing a Queen blue ensemble and carrying a large bouquet of sweet peas.

The bridesmaid, Miss Virginia Taylor, looked very smart in a harvest wine dress with being accessories and wore a corsage of roses. The groom was supported by James H. Scholefield.

Little Phyllis Scholefield and Gilbert Stiles acted as flower girl and ring bearer respectively. Miss Claire Metheral played the wedding music and Miss Marjorie Metheral sang "Be cause" during signing of the register.

A reception, presided over by the bride's mother who wore navy and white and a corsage of roses, was held for the immediate relatives.

The bride's travelling outfit was an Acaia blue dressmaker suit with navy accessories. After a short wedding trip spent at Calgary, the couple will make their home in Camrose where the groom is on the military instructional staff.

### McFADYEN-CARLSON

The Church of the Ascension in Crossfield was the scene of a quiet wedding on Saturday evening when Elsie Laura, daughter of Mr. and Mrs. Eric Carlson of Melfort, Sask., became the bride of Leading Aircraftman Ronald Arthur McFadyen, second son of Mr. and Mrs. Donald H. McFadyen, old-time residents of Crossfield district. Rev. A. D. Currie officiated at the ceremony.

The bride was given in marriage by Mr. Graham McCubbin of Vancouver, B.C., and wore a white chiffon gown. Her lace veil which was worn half style, was caught to her head with orange blossoms and her shower bouquet was of Talisman roses.

Mrs. Graham McCubbin was the bride's only attendant and wore a turquoise blue lace gown. She carried a sheaf of gladioli.

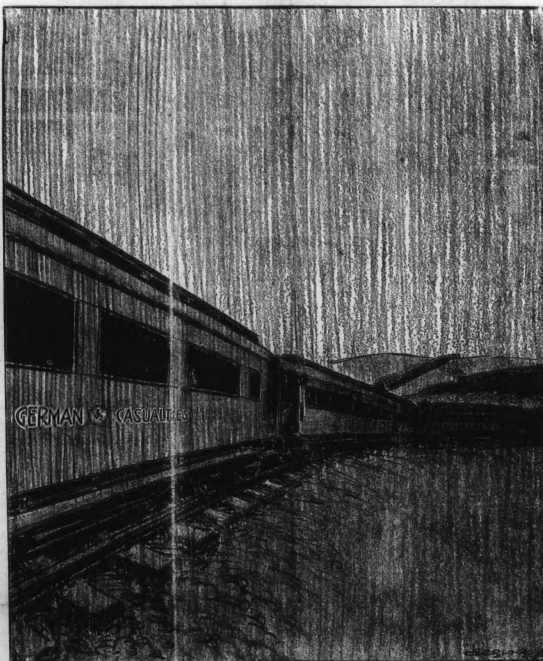

LAC Merle Heywood was the groomsmen.

### TENNIS AGAIN

After a mid-summer lapse of club courts are again seen in use. It has been suggested that a tournament might be the best bet for regaining the former interest of players.

### THURSDAY NIGHT SHOWER FOR BRIDE OF FRIDAY NIGHT

Miss Mildred Metheral, bride of Friday night, was honored at a shower on Thursday evening when Misses Wilda Laut and Ann Cameron were hostesses at the home of the former. The rooms were prettily decorated in pink and mauve and about 25 guests were present.

### Dog Pound

A hail storm swept the district on Friday damaging approximately 1000 acres from 75 to 100 per cent. A small part was covered by insurance.

Mr. W. J. Gray returned home from hospital on Tuesday after an accident on his farm.

Mr. J. L. Williamson has been ill for several days and it is to be hoped that he will be well enough soon to carry on harvest operations.

Miss Bonnie Gray was rushed to Calgary when she showed of infantile paralysis. No report has been received of the doctor's diagnosis. This should impress on everyone the necessity of keeping all children isolated as much as possible.

Mr. and Mrs. Hepper and family returned from a two-week vacation trip on Aug. 14.

Mr. and Mrs. T. Brown have returned from a few days spent at Banff.

Miss Irene Jack is holidaying at Sylvan Lake.

Mr. F. C. Wilson is pinch-hitting for Tom Brown while the latter is away.

## WHEAT YIELD SAID SPOTTY

### Harvesting Well Under- way in Southern Alberta

OTTAWA, Aug. 19.—Fair progress in harvesting operations in the prairie provinces was reported today by the Dominion Bureau of Statistics in its 12th of a series of 15 weekly telegraphic reports.

Some delays were caused in Manitoba and Saskatchewan by showers, the Bureau said.

"Alberta harvesting is getting well under way in the southern part of the province, with cutting just beginning in the northern areas. The early wheat samples in the south are showing predominantly high grades. Wheat yields are highly variable, with some good crops on summer-fallow in the Calgary, Lethbridge and Cardston districts, and some very poor crops on stubble. Showers in the Edmonton, northern and Peace River districts have caused a certain amount of delay in cutting, but the harvest will soon be general. In the Peace River, yields will be hardly up to the presence of green and heat-shrunken kernels showing up in the early samples," the report said.

Some delays were caused in Manitoba and Saskatchewan by showers, the Bureau said.

### SERGEANT HOPPER HOME ON LEAVE

Sergeant-Air-gunner E. Hopper of Crossfield arrived home at the first of the week on final leave before embarkation.

Earl, 20 years old, was born and raised in Crossfield and is the son of Mr. and Mrs. F. Hopper year ago with the Royal Canadian Air Force and completed his training at Jarvis, Ontario.

### MEMORIAL SERVICE SUNDAY, AUGUST 24

Annual memorial service of the Justice Rebekah Lodge No. 62 and the Crossfield L.O.O.F. Lodge No. 42 will be held at the cemetery at 3 p.m. on Sunday, August 24. It is announced that the public is cordially invited to attend this annual day of remembrance and anyone who wishes to bring flowers and enter into the ceremony of the decoration of the graves of their family or friends is welcome. Although flowers for the service are not as plentiful as in previous years, it is expected that the service will be no less impressive.

### A Call For Foresight

Canadians are not forced to fall back on blind faith to convince themselves that the battling people in the British Isles are working feverishly to prepare for an offensive operation in Europe. Our newspapers have been publishing dispatches that bristle with evidence that Britishers are getting ready to strike back. But when the blow will be struck, none in Canada knows.

If the inner War Council did decide on a major operation, it could not "telegraph its punch." No one over there is in a position to send a message to Canada—"We are about to attack. We must have every drop of gasoline and oil you can rush across to us now."

But surely we in Canada have enough intelligence and imagination to foresee that a sudden favorable opportunity may present itself to the armies in Great Britain anytime within the next few weeks. And that same intelligence should dictate the sharpest curtailment in the use of motor fuel for motor cars—without a day's delay.

It would be a pity if the stamina of Canadian citizenry were to be judged by the spectacle of a few thousand car drivers in Alberta, for example, who knew that gasoline had to be saved for the decisive battles overseas, and knowing it, deliberately travelled thousands of miles for the long weekend holiday.

Even though the main street of Crossfield is not paved, we think that it would be improved to a point of respectfulness if it were kept clear of litter. Surely a tidy front street would be worth the cost of two or three refuse disposal bins placed at convenient spots.

A Calgary firm has, through its Crossfield agent, requested three memberships to Crossfield and District Board of Trade. Now that an out-of-town concern has taken the lead, let's band together and put the board on its old footing.

UPHOLD YOUR PLEDGE!

Maybe you do think of me when I'm at sea, but the next time you address a postcard write my name instead of Henry—whoever he might be.

—Albertan.

Work Greater**

The Crossfield Branch of the Red Cross has shipped to date over 600 articles this year. This is a large increase over last year.

Besides the regular supplies bought by the Red Cross and being made up by the workers, the group is grateful to the following for donations:

Anglican Women's Guild, 1 interest, the Crossfield tennis pair wool blankets; Mrs. Cowbug, \$5; Mr. T. Fitzgerald, \$5; Mrs. N. A. Johnson, lady's dress and 2 girl's jumpers; Mrs. P. Fleming, 2 pair bed sox; Mrs. J. Belshaw, 2 pair mitts, pair sox; Mrs. A. Smart, 1 quilt top and filling; Miss D. Robinson, baby jacket and booties.

**Wheat Pools  
Urging Price  
For Growers**

With the cost of manufactured goods and most commodities rising steadily the price of wheat is at a ridiculously low figure. On the basis of 70c a bushel for One Northern at the terminal, the average price to farmers at local shipping points in Alberta, after averaging grades, will be around 50c a bushel. Even with a big crop such a price is profitless. Alberta's wheat crop this year is less than half of last year's output, which makes the price situation even more acute.

The Wheat Pools of Western Canada are endeavoring to induce the federal government to increase the price of wheat to \$1 a bushel. In the United States wheat farmers are obtaining approximately \$1.16 a bushel through a guaranteed minimum price and special bonuses. That figure is considered on a parity with other prices.

In Western Canada, farmers have higher costs than in the U.S.A. and \$1.25 a bushel could be considered as a parity price. The figure of \$1 a bushel is not at all unreasonable.

**POLICE COURT**

Alexander Schmick of Carstairs was fined \$10 and \$5.80 costs in Crossfield police court on Monday for failing to comply with the orders of Ernest Christfield, weed inspector of Rosebud municipal district, in regard to the cutting of noxious weeds.

A charge laid under the Wage Act was withdrawn and costs of \$6.40 were levied on the two young farm hands who filed the complaint.

Sixty days in Lethbridge jail was the sentence received by Henry Veal, no fixed address, when he was unable to pay the fine required of a third-time vagrant.

F. W. Landymore, J.P., presided at the court and Cpl. D. Cameron, R.C.M.P., prosecuted.

**SPECIAL ON TAXES  
UNTIL OCTOBER 1ST**

Village of Crossfield tax notices have been sent to all taxpayers and Mr. T. Tredaway, Village Secretary, hopes that a good number of them will take advantage of the ten per cent. discount on taxes paid before Oct. 1. Early payment will allow the Village to proceed with a portion of its improvements program, although this will not be as great as in previous years due to the extraordinary amount of indigent hospital bills which must be met by the Village.

**British Have Sunk  
2,321,000 Tons of German  
Shipping Alone**

LONDON, Aug. 19.—The Admiralty announced today approximately 4,007,000 tons of Axis shipping had been sunk, captured or scuttled from the start of the war to Aug. 16.

Of this total, an announcement said, German losses constituted 2,321,000 tons, Italian 1,533,000 tons, Finnish 34,000 and "useful to the enemy" 119,000.

The figures include ships sunk by air attack and 51 ships, estimated at 200,000 tons claimed sunk by the Russians.

Axis losses since the last report was given July 10 were put at 618,000 tons by an Admiralty spokesman.

The R.A.F. accounted for a large part of this figure in attacks on German shipping along the Norwegian, French and Netherlands coasts.

There was no new announcement of British losses. Officials declined to go beyond the report covering June, which showed grand totals sunk during the war as follows:

British: 1,074 ships of 4,601,120 tons.

Allied: 334 ships of 1,498,017 tons.

Neutral: 326 ships of 1,004,843 tons.

## CROSSFIELD POSTMASTER HAS HISTORY

Postmaster Frank Mossop of Crossfield celebrated his 70th birthday anniversary on Monday and with the passing of another year in his life passed a sight familiar for many years on the streets of the town. No more will Mr. Mossop be seen pushing the go-cart from post office to train loaded with incoming and out-going mail, for his birthday present to himself was a baby-sized English light delivery to make easier the work that has been getting harder bit by bit for each of the last few years.

Seeing the end of his 60's is no worry to Mr. Mossop for he still plays a game of tennis that could be credited to a man far younger in years than himself, and he walks with a gait which speaks well of his years in military service during the last World War.

Mr. Mossop left London, England, his birthplace, in 1911 and came directly to Crossfield. During the Great War he served in the 118th Lethbridge Highlanders in the Mobile Workshops and returned to Crossfield in 1919 with the rank of Acting Staff Sergeant. On his return Mr. Mossop worked as a C.P.R. expressman and later took up farming on the old Peacock place west of town. In 1924 Mr. Mossop contracted as postmaster for Crossfield and has held the position to the present day.

As a result of his service overseas, Mr. Mossop was forced to spend a total of 20 months in military hospital. He has also been active in community affairs, being an ardent supporter of the Crossfield and District Board of Trade and serving five years on the executive of the Crossfield Branch of the Canadian Legion, B.E.S.L., three years as president and two years as secretary.

### ROBERT MACLEOD

Robert Macleod, aged 65, of Crossfield, died in a Calgary hospital on Monday morning following a long illness.

Born in Sutherlandshire, Scotland, Mr. Macleod came to Calgary in 1907. He joined the city police force there in the same year. Mr. Macleod later held the rank of a sergeant until his retirement in 1920. He then moved to Crossfield where he took up farming. He was a member of the Presbyterian Church.

Surviving are two sisters, Kathleen and Georgina in Scotland, and one nephew, James Campbell of Calgary.

Funeral services were conducted from Leyden's chapel in Calgary and interment was in Queen's Park cemetery.

### MEMBERSHIPS SELL WELL

Executive members of the Crossfield and District Board of Trade were active salesmen on Tuesday, selling over 80 memberships for 1941 in the afternoon. Acting-Secretary, Mr. T. Tredaway, announces that a vitally important meeting will be called in the near future when matters of extreme community importance will be on agenda.

## BIGGER HOGS BEING SOLD

Brisk Demand and  
Cheap Feed Improve  
Quality in U.S.

CHICAGO, Aug. 19.—It's a well-fered porker that comes to market these days. Livestock men said today the average weight of hogs marketed here was the highest since August, 1930.

They attributed the unusual plumpness to prices near the best level in four years, large marketings of heavy sows, relatively cheap and plentiful feed and response to government urging for greater livestock production. The government has been buying lard and pork, some for Great Britain under the lend-lease program.

The average hog that came to Chicago's market last week weighed 283 pounds compared with 270 a year ago. One week the average broke the 300 mark.

With their corn bins overflowing and a bumper crop waiting for harvest, the midwest's swine producers have increased the average weight more than 40 pounds since January.

In 1939 the average weight reached a peak of 295 pounds.
